Classroom Celebrations

At Jasper Elementary we discourage families bringing in food items for class celebrations. We comply with the district wellness policy regarding healthy food selections for classroom parties. Do not send items to school without contacting your child's teacher in advance. We must take into consideration our District Wellness Policy, grade-level appropriate guidelines and specific dietary restriction/food allergies of classmates. In lieu of food items, we encourage families to bring in items such as pencils, stickers, toys, bubbles, etc. that will be handed out by your child as the class is dismissed at the end of the school day. Classrooms will not be interrupted for delivery of flowers, gifts, food, etc. Balloons are not permitted in the classroom.

Arrival and Dismissal Guidelines

1. Students are expected to come directly to school by the safest possible route. All students must leave campus to go directly home once dismissed. On the way to and from school, students are to obey all school and traffic rules and to conduct themselves in a courteous manner. Pets are not permitted on school grounds unless they are service animals. On the way to and from school, students are held accountable to Jasper's Code of Conduct and discipline policy.
2. School grounds are closed until 15 minutes before school starts. This means students should not arrive until 7:55am unless participating in the breakfast program.
3. All students are to enter campus via the North gate and are to stay behind the yellow line on the North side of the building until the duty teachers walk students to the walk n' talk area and then to their classroom's line-up area on the East blacktop. Classroom teachers will escort their classes to their room before the starting bell rings. **Parents are encouraged to say good-bye to their students at the gate and not escort them to the class lines. This is for security reasons.** Kindergartners (only) enter through the South gate.
4. The Jasper parking lot is designed for bus loading/unloading zones, staff parking, and licensed handicap parking only. Parents are to drop off and pick up their students on Jasper Street or 18th Street. Parents who drive their children to or from school must park on the street and use the marked crosswalks and corners to walk across the street. The yellow zone in front of the parking lot is for pick up and drop off only, it is a no parking zone. **PLEASE DO NOT CALL YOUR CHILDREN INTO THE TRAFFIC, PARKING LOTS, OR BUS LANES.** Help us keep our children safe.
5. Bicycle privileges are extended to fourth through sixth grade students only. A signed permission slip must be on file in the office. Students must observe all traffic and bicycle safety rules. Helmets must be worn at all times. A bicycle will not be released to a student unless they have a helmet at school. Students should not touch or tamper with another student's bicycle. All bicycles should be individually locked. Students must walk their bikes while on campus.
6. Children will only be permitted to leave the school grounds during school hours after a designated adult has signed them out through the school office. If someone other than the parent/guardian picks the student up early, a written notification must be provided, even if the individual is on the emergency card. Children will not be released to anyone who is not listed on the Emergency Card. **Students will not be called to the office prior to the parent/guardian arriving in the school office.** (See student Release Policy for more details on signing out during school hours.)
7. Any bus rider must ride his/her assigned bus and is not allowed to walk home (or other), unless a written note from the parent/guardian is given to the classroom teacher or the office. Changes in routine for any student must be made known to the front office personnel.
8. Transitional Kindergarten (TK) and Kindergarten (K) students will be greeted at arrival and dismissal at the Kindergarten Playground Gate. Early Bird (EB) and AM arrival is from 7:55-8:10 AM and EB/AM dismissal is at 12:15. Late Bird (LB) arrival is from 9:50-10:00 AM and LB dismissal is at 1:55 PM.

Attendance and Tardy Policy

Regular and prompt attendance is essential for school success. It is not possible for your child to “make up” the valuable instruction and activities that take place during the day to support their learning. **The SARB (School Attendance Review Board) process may begin after three unexcused absences or three tardies of 31 minutes or more.**

- **Absences** – Parent/guardian is asked to call on the first day of the absence. An answering machine is available before and after school hours (909) 484-5050. If this is not convenient, a note from the parent/guardian should accompany the student when he/she returns to school. Any absence without a valid excuse will be recorded as truancy (unexcused). A valid excuse is defined in the District Policies and Procedures Handbook, page 33, Education Code 48205, “Excused Absences”. Students are encouraged to participate in our perfect attendance program!
- **Independent Study Contract** – If you know that your child will be absent from school for no less than five consecutive school days, you may request that your child be put on an Independent Study Contract. The request for the contract must be made through the office at **least five days prior** to the student’s absence. The student must turn in the completed work upon their return to school. A student becomes ineligible for a Perfect Attendance Award when taking an Independent Study contract.
- **Homework Requests** – Parent/guardian requests for homework may be made by calling the school prior to 10:00 a.m. Assignments may be picked up in the office after 3:30 p.m. Please call the school to verify that work has been left in the office.
- **Leaving School Early** – Whenever possible, a student should inform his teacher of a doctor/dental appointment before the absence. If you have a medical appointment during the day, a parent/guardian must sign the student out, and back in when they return, at the school office. Leaving school early for any reason other than a medical appointment or illness is considered tardy.
- **Tardy Policy** – The home and school should work together to encourage punctuality. A child arriving late to class disturbs an entire classroom. When a pupil is tardy, he/she is to report directly to the office with a note signed by his/her parent/guardian. If the student does not have a note, the parent/guardian will be contacted at home or at work to verify the tardiness. Frequent, recurring tardies are a significant intrusion upon the classroom-learning environment. The tardy student misses valuable instruction, and arriving late may cause embarrassment. Parents/guardians of young children especially need to be responsible to get the student to school on time.
- **Chronically Absent or Chronically Tardy:** A student who has missed more than and/or are late 10% of the number of school days they are enrolled.
- Students who are considered Chronically Absent or Chronically Tardy will be required to attend a SART (Student Attendance Review Team) meeting, in-person, which the school administrator.
- If attendance does not improve following a START meeting, the site administrator will refer the student/family to a DART (District Attendance Review Team) for a meeting at the ALSD District Support Center. If attendance does not improve following a DART, student/family will be referred to SARB (School

Attendance Review Board) and the San Bernardino County District Attorney's office where a meeting will be held.

- The SARB process may begin after three (3) unexcused absences or three (3) tardies over thirty (30) minutes.

At Jasper Elementary we will Strive for Five...no more than 5 absences, days tardy, or early pickups for the school year.

Visitors / Closed Campus Policy

For our students' safety, Jasper School is a closed campus. Students may not leave the grounds at any time during the school day except in the company of a parent or authorized adult. The parent must sign the student out at the school office when leaving and sign them in upon return to school.

All visitors **must** sign in at the office upon arriving and before leaving campus. In some cases, ID may be requested. An ALSD Volunteer Agreement must be reviewed and signed before you will be able to volunteer on campus. You will be given a visitor/volunteer badge to wear while on school grounds. Please do not go to a classroom to drop off items before signing in at the office. Relatives or friends from other schools are not permitted to visit or accompany students on campus.

Parent Involvement

Volunteers

Jasper needs parents and grandparents to volunteer to help our children. Volunteers may help the students with their academic subjects and enrichment activities, go on field trips, or assist in making educational games or instructional materials for classroom use. A volunteer may have special talents that will supplement the school curriculum for the enrichment of the student instructional program. Please contact your child's teacher to arrange to volunteer to help our children. All volunteers **must** sign in at the office upon arriving and before leaving campus. ID will be needed to sign in with our Raptor Technologies. An ALSD Volunteer Agreement must be reviewed and signed before you will be able to volunteer on campus. You will be given a visitor/volunteer badge to wear while on school grounds. **Please note that because of school district insurance requirements, siblings are not allowed in the classroom or workroom.** Please arrange day care for your volunteer time.

Photography and Videography on Campus

While visiting or volunteering on campus, permission from the classroom teacher and/or administrator is required to take photos or videos of students. If photo permission is granted, parents/guardians may only take pictures or video of their own child and are prohibited from taking pictures or video of any child other than their own.

Jasper PTA

We encourage your membership and involvement in our school-based parent group. The purpose of this group is to support and enrich students and school programs through assemblies, recognition awards, and volunteer time. The membership drive begins in August. Parents, community leaders, business groups, extended family members, neighbors, and friends are all welcome to join.

School Site Council

The School Site Council is an elected group of parents and staff members who meet to plan, implement, and evaluate the school program. Meetings are open to all parents and residents of the school's community. The agenda for each School Site Council meeting is posted in the school office three school days prior to the meeting date.

Discipline Policy / Code of Conduct**DISCIPLINE PHILOSOPHY**

Through an effective discipline philosophy, our staff is able to provide a learning environment that is safe and positive. We believe that discipline is teaching appropriate behaviors and accountability.

Appropriate School Behavior. Appropriate school behavior is encouraged by all of the Jasper staff. We have established school-wide standards of behavior. Each teacher will notify parents of expected school-wide and classroom behaviors and consequences for appropriate and inappropriate behavior. It is the goal of Jasper School to present to students the qualities that exemplify good character and to instill in them a reflective process of making appropriate choices. Expectations of Champion character are presented in *Jasper ideals*: Responsibility, Respect, Courage, Self-Control, Cheerfulness, Caring, Wisdom, Fairness, Trustworthiness, Citizenship, and Perseverance.

Students who demonstrate appropriate behavior are recognized through both classroom and school level recognition programs including:

- ☪ Champions of the Week Awards
- ☪ Personal Success Awards
- ☪ Certificates of Recognition
- ☪ W.O.W. (Writing of Worth)
- ☪ H.E.R.O. Awards (Helping Everyone Respect Others)
- ☪ Incentive Activities/Assemblies
- ☪ P.B.I.S Recognition

Participation in incentive and extra-curricular activities such as: Assemblies, class parties, picnics, outdoor education, athletics, end of the year activities, and Student Council and Leadership activities is dependent upon appropriate behavior and academic performance as determined by the classroom teacher and the site level administrator.

Disruptive Behavior. Minor infractions are generally handled by the classroom teacher, while major infractions are referred to a site administrator. Parents will be informed whenever a student is developing adverse behavior patterns.

Students will be held accountable for inappropriate behavior. Consequences may include, but are not limited to: counseling, loss of privileges/activities, after school detention, time out, office referral, other means of correction, in- or out- of- school suspension, and in extreme cases, recommendation for expulsion. Please refer to the *Alta Loma School District Parent Handbook*.

We're proud of Jasper's positive reputation and we appreciate your cooperation and support. School and home both share in the overall development of our students. By working together, we (staff, students, and parents) can provide a positive and safe environment that enables each individual to benefit from the opportunities that are provided. When school and home work together, students win!

JASPER SCHOOL CODE OF CONDUCT**GENERAL SCHOOL WIDE RULES****Students are expected to:**

1. Come to school on time and be prepared to learn.
2. Respect the rights and property of others.
3. Follow all directions given by all school personnel and supervising adults.
4. Keep their hands and feet to themselves. Remember, **hands off!**
5. Use appropriate language. (No profanity, vulgarity, obscene gestures, name calling, or harassment.)

Assemblies and Activities Conduct

Students will walk to the assembly area with his/her teacher where they will sit together as a class. Students will be respectful, courteous, and use polite applause. Students will sit and wait quietly until the site administrator or teacher dismisses the class.

Clothing and Appearance Guidelines

We believe that coming to school ready to learn includes how a child dresses; therefore, children are encouraged to wear appropriate school clothing. Parents have the primary responsibility for maintaining proper and appropriate conditions conducive to learning.

A student may not remain in the classroom dressed in a manner which:

- (1) Creates a safety hazard for the student or for other students
- (2) Constitutes a serious or unnecessary distraction to the learning process
- (3) Tends to disrupt the campus order; or

(4) Is in conflict with the District's goals and philosophy of the prevention of substance abuse and gang activity. (See also: *Alta Loma School District Parent Handbook: Clothing and Appearance* that follows.)

Lunch Behavior

Teachers will escort students to the lunch area where students will sit at their assigned table unless otherwise instructed. **Champions are expected to follow all lunch rules.**

Students who do not follow the rules sit out to reflect, or be referred to an administrator for further action. Infractions will be reported to the student's teacher.

Recess and Play Time Conduct

Jasper Champions have good sportsmanship. Remember to be courteous and polite to all students and staff. Disrespectful attitudes, not following directions, obscene gestures and expressions are not allowed. We will take care of the equipment, our school, and each other. Remember, a Champion follows all rules.

When using School Equipment:

- Use only district approved school and athletic equipment properly.
- Take care to return it in good condition. Lost or damaged school materials must be replaced by the student responsible for the damage.
- Bats, hardballs, tennis balls, frisbees, etc. should not be brought from home.

THE BIG NO'S

It is against the law to bring dangerous or illegal objects to school or to school-related activities. Do **NOT** bring the following items to school for any reason:

- Bean, pea, or wad-type shooters, slingshots, rubber bands, fidgets, toys, and any non-school related items.

Threatening or harassment of any kind are not allowed. Violation of the "hands off rule", threatening to fight or injure another, or harassment are suspendable offenses.

Self-defense is not an excuse to engage in fighting at school in most cases. The school is the child's defense. Report the provoking action to a proctor, teacher, or administrator immediately, making no physical contact.

Managing Conflict

Students are encouraged to manage or resolve their conflicts by practicing the following problem solving techniques:

<i>Problem Solving</i>	
♦	Talk it over - listen
♦	Walk away
♦	Say, "I'm sorry."
♦	Do something else
♦	Take turns
♦	Share
♦	Ignore it
♦	Ask for help

Managing Conflict: (continued)

Parents involved in conflicts with students require a site administrator's mediation. **Parents, please do not approach, talk to, or confront students other than your own. Failure to comply may result in not having access to the campus, and our contacting the School Resource Officer.**

Disciplinary Actions

Students who become involved in areas of problem behavior will be subject to certain disciplinary actions. The action(s) taken will be in accordance with Board policies, California Education Codes, and State laws.

The Big YES Actions: (Our three main rules)

BE SAFE

Follow all school rules; play safely and fairly.

BE KIND

Speak courteously to others.

BE RESPONSIBLE

Doing what is expected, making positive choices, self accountability.

P.B.I.S.

At Jasper Elementary School, we have high expectations for student conduct. We are a P.B.I.S. school. P.B.I.S. is a program that helps promote a positive school culture by having clear expectations for student behavior to enhance their learning experience. Our expectation is that students are safe, kind, and responsible. In addition to clear expectations, we provide interventions to guide students to make positive choices. Students also have the opportunity to earn P.B.I.S. rewards and recognition when they make good choices.

Class Placement

Students are placed into the next grade level classroom by their current teacher. This is done in the first week of May. When placing students, teachers insure an even balance of academic skills from high to low, as well as a balance of student behavior issues. The number of students involved in GATE (upper grade only), Special Education, and English Language Learners is also balanced as is an equalization of gender. It is critical that some students be separated from other students. Within that framework, student personality and a good “match” is also considered. The teachers have the necessary background and take great care in the placement process. The site administrator gives a final check to ensure that classes are equally balanced. If a parent or guardian has a specific concern regarding placement, we ask that the front office be notified of this in writing by April 24, 2024, but there are no guarantees of accommodation.

CHAMPIONS DON'T BULLY

Jasper Elementary actively seeks to provide a safe, supportive learning environment that is free from all forms of harassment and intimidation. **It is the responsibility of every member of the school community to ensure that bullying behavior is actively rejected.**

What is bullying?

Bullying is a form of antisocial behavior that has no place at Jasper. It can include physical actions (hitting, kicking, taking belongings), verbal actions (name-calling), or indirect actions (gossiping, spreading rumors, excluding from groups).

Bullying has five common features:

- ☐ it is targeted, deliberate, and hurtful behavior
- ☐ it is repeated over a period of time
- ☐ it is difficult for those being bullied to defend themselves
- ☐ it is difficult for those who bully to learn new social behaviors
- ☐ the person who bullies has, and exercises power inappropriately over the victim

In order to ensure that all students understand the serious nature of bullying, and that each member of the school community actively rejects bullying, all students must abide by the *Champions Don't Bully* contract (included here and again on the signature page for this booklet).

Possession/Use of Cellular Phones and Other Mobile Communications Devices

No student shall be prohibited from possessing or using an electronic signaling device that is determined by a licensed physician or surgeon to be essential for the student's health and the use of which is limited to health-related purposes. (Education Code 48901.5)

Students may possess personal electronic signaling devices including, but not limited to, pagers and cellular/digital telephones, as well as other mobile communications devices, provided that such devices do not disrupt the educational program or school activity and are not used for illegal or unethical activities such as cheating on assignments or tests. Electronic signaling devices need to be turned off during the school day and school events.

If a disruption occurs or a student uses any mobile communications device, a school employee shall direct the student to turn off the device and shall confiscate it. If the school employee finds it necessary to confiscate the device, he/she shall return it at the end of the class period or school day to a responsible adult.

In accordance with BP/AR 5145.12 – Search and Seizure, a school official may search a student's mobile communications device, including, but not limited to, reviewing messages or viewing pictures.

(cf. 5145.12 – Search and Seizure)

A student who violates this policy may be prohibited from possessing a mobile communications device at school or school-related events and/or may be subject to further discipline in accordance with board policy and administrative regulation.
