GLIMPSE OF JUNIOR HIGH

Glimpse is a great opportunity for incoming Warriors to venture onto campus, experience ALJH, and get acclimated before the first day of seventh grade. The program is taught by experienced ALJH teachers and staff and is intended to ease anxiety while increasing student excitement about the transition to Junior High. We encourage all incoming 7th graders to attend if they are able.

Students will get an overview of daily activities, schoolwide expectations, explore campus, learn to open their lockers, purchase PE Clothes, and more! Multiple sessions are available and are offered on a first-come, first served basis.

Session 1: Tuesday, May 28, 2024, 8:00-11:00 AM

Session 2: Tuesday, May 28, 2024. 11:30 AM-2:30 PM
