

Dear Warriors,

Welcome to your new adventure! The 2021-2022 school year is going to be full of great experiences for you. We are so glad you are a Warrior, and we look forward to school starting and you engaging in all the excitement Alta Loma Junior High has to offer. At ALJH we have Warrior PRIDE. That is Positivity, Respect, Integrity, Dedication, and Excellence. You are part of a proud family of Warriors. We are glad you are here.

We encourage you to challenge yourself to be adventurous this year. Get involved in something you haven't tried before. A club, a class, a sport! Engage in the activities at lunch. Make new friends. Get to know your teachers! This is an amazing place and you will have a great time if you get into it. So, join the adventure!

We will see you soon!
