Dear Warrior Parents and Guardians,

I am thrilled to be able to write to you as the new Principal of Alta Loma Junior High School. This is a great place for students, staff, and families and I am excited to be returning. Last year, I served as the Principal of Deer Canyon Elementary School where we were able to make great things happen for students, staff, and the school community. Prior to my time at Deer Canyon, I was fortunate to serve as the Assistant Principal of Alta Loma Junior for three years and previously taught on staff for three years. I know firsthand what a special place ALJH can be. Additionally, my wife and I are members of this community and have three amazing girls, two of which attend school here in this great district. I look forward to re-joining a staff that is known for their dedication and commitment to our young men and women. We will work diligently during these crucial years to mold good individuals who are prepared for high school, college, and career.

Not only am I excited to begin working alongside a staff of true professionals, but I am excited for the work we will do together, a combined force of school staff and families, to help our Warriors thrive this school year. I look forward to the positivity and volunteerism that comes from our partnership moving forward. If you are ready to dive in, please fill out the Google Interest Form linked below.

My vision for the school is to ensure that all students are inspired to achieve both academically and socially. I am dedicated to seeing students experience an outstanding education. As your Principal, it is important to me that every person who steps through our doors—teachers, students, parents, guardians—feels welcome and excited to be here. This attitude will enable us to meet the challenges of academic excellence in a positive, fun, and nurturing environment.

Looking ahead, I want to make you aware of key dates and information:
