## WE ARE ONE

## Administration

**Mr. Carter**  
Principal

**Mr. Dzama**  
Assistant Principal

**Mr. Edmon**  
Dean of Students

Warriors!

At Alta Loma Junior High we are one. No matter the school you are coming to us from, when that you are here, we are one family, one ohana!

We are very excited to get this year started!

We are dedicated to making sure you get the awesome academic experience for which Alta Loma Junior High is famous. Our amazing ASB will also finding new and innovative ways to make you feel involved in the student body. We encourage you to get involved!

As young men and women coming into junior high we recognize that there will be challenges and successes, and it is important to us that you are connected to your teachers, your classmates, your school, and to us. One thing that is constant is the idea that we are a family, an ohana, here at Alta Loma Junior High. We look out for one another, so we encourage you to connect with others, find a club, and check-in on your friends. In addition, we encourage you to push yourself to be better each and every day. As your administrators, we will work hard for you. As students, we ask that you work hard for yourself and be proud of all that you do. If you need help, reach out to your teachers, they want to help you.

We look forward to seeing you at schedule pickup on 7/27/22 for 7th graders and 8th graders on 7/28/22, running from 8:30-11:30am both days.

As ohana, we show our Warrior PRIDE! Do not forget to click <https://bit.ly/warriorwear> to order your apparel and represent! The window to order is open until July 3rd and will be ready for you at schedule pickup day!

As Warriors, we put in the work to be successful and we give our best effort at all times. We look forward to your successes here at Alta Loma Junior High.
