

Clever Access to ALSD Digital Programs

Clever is a single sign-on solution for several of the digital components ALSD uses in classrooms.

- Once students sign into **Google Chrome** (not www.google.com), it allows students to access programs without needing to enter login credentials each time.
- Navigate to the ALSD Clever login page:
clever.com/in/alsd and click on Log in with Google. If multiple users are signed into Google, it will prompt you to select the right user.
- Each square is an “app” that either saves the password for the program or automatically logs the student in.
 - Apps that are available are dependant on school site.
- The program will open in a new tab across the top of the screen.

IMPORTANT: When the student is finished using the computer at home, the student needs to sign out of Chrome by clicking on their picture or initial in the very top right corner and select “Manage People” All Google Accounts signed in will show up and hovering over the account to remove will show 3 vertical dots. Click the 3 dots and select “Remove Person”.

Alta Loma School District Digital Resources - Student/Parent

Google - Online storage, Apps (Classroom, Docs, Slides, Sheets), collaboration

Student Username: first initial last name high school graduation year @altalomasd.com **Password:** Student ID

Students will need to log into the Chrome browser to have the Clever extension running to access some digital programs.

ALSD Clever Single Sign-On

clever.com/in/alsd

Student Access: Log in with Google

Illuminate Home Connect - Grades and Attendance

alsd.illuminatehc.com

Parent Access: Parents can contact teacher or front office for individual access code. On the Illuminate HC site, parents create an account using green **Create Account** button.

Pearson (K-5 Math, 6-8 Science)

If signed into the Chrome Browser, Clever is the easiest way to sign in.

tiny.cc/ALSDpearson

Username: Student ID number, **Password:** Student ID number

Big Ideas Math (6-8)

www.bigideasmath.com

Students need to log in through Clever (clever.com/in/alsd) to access Big Ideas Math

HMH Journeys (K-5 ELA)

Students can log in through Clever (clever.com/in/alsd) to access the ELA Adoption - HMH Journeys

www-k6.thinkcentral.com

Students can also go directly to the site, select all dropdowns, and sign in.

Student Username: Google log in (including @atalomasd.com) **Password:** Student ID

ConnectED - McGraw Hill Integrated Math (7-8), StudySync ELA (6-8)

<https://connected.mcgraw-hill.com>

Students need to log in through Clever (clever.com/in/alsd) to access ConnectED for Math and ELA.

TCI (6-8 Social Studies)

www.teachtci.com

Students need to log in through Clever (clever.com/in/alsd) to access TCI Social Studies
