*“Success Comes When We All Learn Together...”*

Dear Jasper Families,

It is hard to believe we are entering our second month of school. We are so glad to have our Champions back on campus!

We will begin Chozen Karate after school on Monday, September 10th. There is still time to sign up. We will be having programs to hopefully suit all interests throughout the upcoming year. Watch for flyers to be sent home with information on those activities.

We have our Watch D.O.G.S. program in full swing so if you are a Dad, Grandparent, or relative who would like to volunteer your time during recess, in the classroom, or before or after school please call or sign up in the front office. Don't worry ladies, we are working on getting you involved as well. More to follow.

Our Back to School Night was well attended and a huge success. It is always a thrill to be a part of that experience with parents. So many of our students remain with us from Kindergarten through sixth grade, making that family network over time a special one.

On September 11th we will have our annual Alta Loma School District Math Festival. It will be held at Stork Elementary from 6:30-8pm. We hope you can join us.

The Alta Loma School District invites you to attend our G.A.T.E. Fall Family Day for all G.A.T.E. students and their families. The activities for the day will be focused on S.T.E.A.M. (Science, Technology, Engineering, Arts, Math) projects and learning. We will also be holding our annual Chess Tournament that morning. We have adjusted the timing of events so that students will have time to enjoy all of the opportunities provided! It will be held on October 6th at Vineyard Junior High, 9:00-11:30 a.m.

We have a busy month planned, so be sure to check the calendar. We sincerely believe that your involvement in your child's school experience makes a tremendous difference in their academic growth and self-concept.

*Every Child a Champion!*

Sincerely,

Catherine Tamayo

## Student Release Policy

Our District policy requires that anyone picking up a student who is not named on the emergency card, must be sanctioned in writing. We formerly accepted verbal permission by phone, but that is no longer the case. Written permission may be in the form of email or fax, then the identified person should be added to the emergency card as soon as possible. The more names listed on the emergency card the better, in the event of an emergency evacuation.

Additionally, if someone other than the parent/guardian picks up the student **during the school day**, a written notification must be provided, even if the individual is listed on the emergency card. This is merely a secondary measure to ensure that our students arrive safely into the right hands.

We take these measures to ensure the safety of your children. Please understand that if we ask for identification, we are only trying to verify that your child leaves our school with an adult who is authorized to take your child off campus.

Thank you for your understanding as well as your cooperation.
