BICYCLE RIDER PERMISSION FORM

I hereby grant permission for _____ to ride his/her bicycle to and from school each day. I am aware that I must provide a lock as all bicycles must have a lock and be kept locked while at school. Bicycles are to be walked at all times while on the school grounds. Only one person is to be on the bicycle at all times. **All students riding bicycles must wear a safety helmet by State Law**, and they must follow all basic traffic laws.

I have discussed bicycle safety rules with my child. He/she is knowledgeable about basic safety laws and has the proper safety equipment as required by law, including but not limited to: helmet, working brakes, properly inflated tires, and a bicycle seat. I am responsible for keeping the bicycle in good working order. We are aware that failure to follow the rules may result in my child's loss of privilege to ride a bicycle to school.
