SCHOOL OFFICE HOURS AND TELEPHONE INFORMATION

The Carnelian Elementary office staff works diligently at providing the best possible services for our students, parents, and staff. The office is open from 7:30 a.m. to 4:30 p.m., Monday through Friday, excluding the holidays noted in the school calendar.

The school office is the center of activities at the school and is busy at all times. The telephones are used for business and are not available to students. Students are not permitted to use phones to call for homework, books, musical instruments, lunches, etc.

BREAKFAST AND LUNCH INFORMATION

Breakfast

Breakfast is served daily from 7:40 a.m. to 8:05 a.m. in the cafeteria. One breakfast and one lunch are available daily for each student at no charge. Students will use their same ID number for breakfast and lunch. All students participating in the breakfast program will remain in the cafeteria or outside tables with a proctor until at least 7:55 AM. **Breakfast will not be served after 8:05 a.m. to ensure students are in class on time, so please plan your morning accordingly.** For menus, meal applications and household income forms, please visit the District website at <https://www.alsd.k12.ca.us>.

Lunch

Lunches from home must have the student's name and room number clearly marked on them. For those lunches being dropped off by a parent, there is a counter in the office for drop-off. To avoid interrupting classrooms, a note may be left to inform the teacher and/or student. **Classrooms cannot be interrupted by the office for lunch delivery.** Students are responsible for checking in the office at lunch if they think a lunch has been dropped off for them.

Parents may check their students out for lunch in the office but may not eat with their students at our lunch shelter.

As an alternate to the hot entrée, students may request a grilled cheese sandwich. Students are not allowed to call home for forgotten lunches and will be provided lunch from the cafeteria if needed. All students are expected to eat lunch.

The students at Carnelian Elementary are given a 45-minute lunch period. They will walk with their teacher to the cafeteria or lunch shelter area. All children are to assemble in the cafeteria or lunch shelter area at lunchtime and sit at assigned tables by classroom. The cafeteria and lunch shelter area should be a pleasant place to eat, therefore...

- ✓ Children are to remain in their seats while eating
- ✓ Children are to eat what their parents provide for them or expect them to eat and there is to be **no trading** or giving away of food
- ✓ Children must use proper language and appropriate voice levels
- ✓ All food is to be eaten in the lunch area
- ✓ Each child is responsible for keeping his/her table area clean and depositing all trash in the provided trash cans
- ✓ Children will be dismissed by proctors
- ✓ Children should always use good table manners
- ✓ Students with peanut allergies will sit at a designated "peanut free" table in the lunch area

ARRIVAL AND DISMISSAL GUIDELINES

1. Students are expected to come directly to school by the safest route possible. All students must leave campus to go directly home once dismissed. Supervision is provided only until bus riders have been picked up. On the way to and from school, students are to obey all school and traffic rules and to conduct themselves in a courteous manner. Students and parents are encouraged to use the signaled crosswalk at Carnelian and La Vine.

2. Students who arrive at school between 7:40 and 7:55 a.m. are to stay in front of the office under the supervision of the proctor on duty or go directly to the cafeteria for the breakfast program. The school grounds are open for students at 7:55 a.m. Students arriving by bus must stay in the bus supervision area until the 7:55 a.m. bell rings. Once campus is open students are to report to "Walk and Talk" unless they are eating breakfast in the cafeteria.

3. At dismissal time, bus riders are to sit at their assigned tables near the bus-loading zone according to bus routes. Primary students will be escorted to the bus area.
4. Parents who drive their children home from school are asked to use the school's front parking lot or park on La Vine Street and come to the front of the school to get their children. Parking lot proctors are provided to help ensure student safety and assist in the traffic flow in the parking lot. Please cooperate with them and follow their directions.
5. Please use the pull through lane to drop off and pick up your child in the parking lot area. It is unsafe for children to cross through our parking lot. **If you choose to park, please park legally and personally escort your child through the parking lot.** Do not park in spots designated for staff. Do not allow children to walk through the parking lot unescorted.
6. Please do not use the north parking lot/bus-loading zone; this is for school buses and staff only. Please do not park in the drive-through lane adjacent to the red curb in the front of the school. Please follow all Parking Lot Use Rules.
7. Bicycle privileges are extended to fourth through sixth grade students only. A signed permission slip must be on file in the office for each school year. Students must observe all traffic and bicycle safety rules and provide a bike lock. Helmets must be worn at all times. Privileges will be revoked if rules are not followed. Students are not allowed to ride skateboards to school.
8. Early checkout from school is strongly discouraged. Children will only be permitted to leave the school grounds during school hours after a designated adult has signed them out through the school office. Children will not be released to anyone who is not listed on the Emergency Card. Parents must inform the office in writing when anyone other than themselves, even those listed on the Emergency Card, will be picking up their student.
9. Relaying messages and early checkout just before the end of the school day is very disruptive and should be reserved for very important situations. **Message delivery cannot be guaranteed.**
10. Any student who is a bus rider must ride his/her assigned bus and is not allowed to walk home unless a written note from the parent/guardian is given to the classroom teacher. Non-bus riders may not ride the bus with another student bus rider without prior written notification to the office from a parent/guardian.

ATTENDANCE AND TARDY POLICY

We expect our students to attend school regularly and promptly. Good attendance is essential for school success. The School Attendance Review Board (SARB) process may begin after **three unexcused absences** or **three tardies** of over one-half hour.

Absences – The parent/guardian is asked to call on the first day of the absence. An answering machine is available before and after school hours at (909) 484-5010. If this is not convenient, a note from the parent/guardian should accompany the student when he/she returns to school. Any absence without a valid excuse will be recorded as unexcused. State Law mandates that absences are excused only if the child is ill, has a medical appointment, or there is a death in the family. All other absences are unexcused.

Homework Requests – If a student is absent more than one day, requests for homework may be made by calling the school prior to 10:30 a.m. Homework may be ready for pick up in the office after 3:00 p.m. however, this is not guaranteed. Please call the school at 3:00 p.m. to verify that work has been left in the office. If a student will be absent five or more days please call the office regarding an Independent Study Contract.

✓ **Early Pick Ups** – Whenever possible, parents should inform the teacher and/or school office of a doctor/dental

appointment before the absence. If a student has an appointment during the school day a parent must sign the student out in the office and then sign the student back in when they return. *If someone other than the parent or guardian is signing the student out the office must be notified by the parent/guardian in writing prior to the student being picked up.*

- ✓ **Tardy Policy** – The home and school should work together to encourage punctuality. A child arriving late to class disturbs an entire classroom. All students arriving late to school must sign in at the front office to obtain a late slip for the teacher. Students who arrive more than 10 minutes late must be signed in by the parent/guardian. If the parent does not accompany the student or send a note, the parent/guardian will be contacted at home or at work to verify the tardiness.
- ✓ **Late Pick Ups** – Students are to be picked up on time daily at dismissal. Students are supervised in front of the school for 15 minutes after the final dismissal bell. Students who have not been picked up after that time will be signed in at the office and will need to be signed out by the parent or guardian. Late pick-ups of 15 minutes or more will be logged and monitored in the student's attendance records.

Frequent tardies are a significant intrusion into the classroom learning environment as well as embarrassing to the tardy student. Parents/guardians of young children especially need to be responsible to get the student to school on time. The bell to go to class signals at 8:05 a.m. and all students need to be in class by the 8:10 a.m. bell. All students who arrive after 8:10 a.m. must sign in at the office and get a late slip to take to class.

BIRTHDAY CELEBRATIONS

Due to the many food related allergies and illnesses we see, **Carnelian Elementary no longer allows store bought, homemade or prepackaged food items to be brought in for students' birthdays.** We know children enjoy celebrating with their classmates, so parents are welcome to send in small goody bags (not including any food treats) with small school appropriate trinkets, party favors or school supplies. As always, balloons are not allowed on campus at any time.

We understand that birthdays are an important milestone and we want to recognize your child's special day as well. All students are invited to get a birthday book and pencil from the school office staff. In addition, for \$20.00 we offer you the opportunity for your student's name to be displayed on the electronic marquee in front of the school. You can complete a marquee form in the school office prior to the day you would like your child's name displayed. We also announce birthdays daily during our morning announcements. Thank you for understanding and we very much appreciate your cooperation with this policy.

VISITORS/CLOSED CAMPUS POLICY

To keep our campus safe and maintain an effective learning environment, Carnelian Elementary is a closed campus. Students may not leave the grounds at any time during the school day except in the company of a parent or authorized adult. The parent must sign the student out at the school office when leaving and sign them in upon returning to school.

Parents or legal guardians need to make an appointment in advance with the Principal to make classroom and/or playground observations. Observations are limited to twenty or thirty minutes and require an accompanying administrator. Any volunteering or visiting must be scheduled with and approved by the classroom teacher. All visitors **must** sign in with a state issued identification card that will be scanned in the District's Raptor System at the office upon arrival and volunteers must sign out before leaving campus. Once your visit is approved by the front office, you will be given an identification sticker to wear while on school grounds. No visitor is permitted on campus without prior approval from the teacher or administrator and without signing in with the office. Forgotten items for students can be dropped off in the office to avoid class disruption. Visitors are to direct any concerns to an adult staff member and must not discipline students.

PARENT INVOLVEMENT

Volunteers

Carnelian Elementary greatly appreciates and needs parents, grandparents and family members to volunteer to help our children. Volunteers may help the students with their academic subjects and enrichment activities, go on field trips, or assist in making educational games or instructional materials for classroom use. A volunteer may have special talents that will supplement the school curriculum for the enrichment of the instructional program. Please contact your child's teacher or our PTA to schedule times to volunteer to help our children.

Please note that because of school district insurance requirements, siblings are not allowed in the classroom, workroom, on campus or on field trips. This includes for class parties, field days, etc.

Please arrange childcare for other children during your volunteer time. Additionally, only parents or guardians may serve as a chaperone for field trips. Chaperones are selected based on the needs of the field trip.

PTA

We encourage your membership and involvement in our school-based parent group. The purpose of this group is to support and enrich students and school programs through assemblies, recognition awards, and volunteer time. The membership drive begins in August. Parents, community leaders, business groups, extended family members, neighbors, and friends are all welcome to join.

The Carnelian Parent Teacher Association is based upon the objectives of the State and National Parent Teacher Association. These objectives are...

- ✓ To promote the welfare of children and youth in the home, school, community, and place of worship
- ✓ To raise the standards of home life
- ✓ To secure adequate laws for the care and protection of children and youth
- ✓ To bring into close relation the home and school so that parents and teachers may cooperate intelligently in the education of children and youth
- ✓ To develop between educators and the general public such united efforts that will secure for all children and youth the highest advantages in physical, mental, social, and spiritual education

PTA Association Meetings will be announced in the monthly school newsletter. All parents and community friends are invited and encouraged to attend the PTA Association Meetings.

School Site Council / School Plan for Student Achievement

The School Site Council is a group of parents and staff members who meet to plan, implement, and evaluate the school program. Meetings are open to all parents and residents of the school's community. The agenda for each School Site Council meeting is posted in the school office three school days prior to the meeting date. Meeting dates will be announced in the monthly school newsletter.

The School Plan for Student Achievement (SPSA) of Carnelian Elementary was developed by the staff, parents, and community. The goal of the School Improvement Program was established to develop students' competence to their highest potential in:

1. Basic skills, including proficiency in mathematics, and in the use of the English language in reading, writing, speaking, and listening;
2. Knowledge and abilities in other aspects of the curriculum, including the arts and humanities, the sciences, and areas of personal interest;
3. Personal development, including self-esteem, capability for independent judgment, personal and social responsibility;

4. Social development, including ability to work in groups, and attainment of multi-cultural consciousness and citizenship skills.

It is the intent of the staff and the School Site Council members that the above goals be attained by the implementation of the School Plan for Student Achievement for Carnelian Elementary.
